Section H

Property Ownership Assignment and Bill of Sale

LAC 43:XIX.C.8

Section H

Property Ownership, Assignment and Bill of Sale And Option to Lease

Crescent Midstream, LLC is a subsidiary company of Crescent GIGS, LLC. The Grand Isle property upon which the Crescent Midstream, LLC Terminal currently operates was purchased from Grand Isle Corridor, LP on February 4, 2021. Such property has been identified with a yellow boundary in Attachment E-1. A portion of this property, identified with a red boundary in Attachment E-1, is the property upon which the proposed commercial E&P waste disposal facility is to be constructed and operated. This property was previously used by Exxon to dispose of E&P waste fluids into three (3) permitted saltwater disposal wells, which are still in operation.

Please note, the property upon which the Barge and Boat Dock will be located (as identified in Attachments E-1, E-2 and E-3), is owned by A-Port. Crescent is currently negotiating an Option to Lease this property and will provide a copy of such document to the Agency when obtained.

ARTICLE I
DEFINITIONS

Environmental Division

Section 1.1 Definitions. The following terms shall have the meanings set forth below:

"Affiliate" means, with respect to a specified Person, (i) any Subsidiary of that Person, and (ii) any Person that directly, or indirectly through one or more intermediaries, Controls or is Controlled by or is under common Control with, the specified Person.

"Assets" means the Liquids Transportation System, the Personal Property, and the Interconnection Agreements, but expressly excluding the MC 268 "A" Platform.

"Business Day" means any day that is not a Saturday, Sunday or other day on which commercial banks in New York City or Houston, Texas, are authorized or required by law to remain closed.

"Control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of a Person, whether through the ability to exercise voting power, by contract or otherwise. **"Controlling"** and **"Controlled"** have meanings correlative thereto.

"Disapproved Liens" means any Lien, unless arising as a result of the actions of Assignee or approved in writing by Assignee, that may be removed by the payment of money, such as mortgage Liens, judgment Liens, mechanic Liens/claims.

"Improvements" means all of the improvements and fixtures used as part of the Liquids Transportation System, including: any and all surface or subsurface pipelines; surface or subsurface machinery and equipment, line pipe, pipe connections, fittings, flanges, welds, other interconnections, and valves (including subsea tie-in valves); control and monitoring equipment; cathodic or electrical protection units; by-passes; regulators; drips; brine pumps, salt water disposal pumps, and oil pumps; salt water filter systems; treating, dehydration, separation, processing equipment; crude oil and produced water storage tanks; gas compressors; vapor recovery units and associated gas lines; towers and storage sheds; gas and electric fixtures; electrical generators, fuel tanks, switchgear, transformers, and switches; and motor control center, in each case that are downstream of the inlet flange to each pipeline pig launcher trap on oil platforms GI 22L, ST 54G, WD 73A, WD 30J, MC 268A, MC 397A, and SP 93A in the Gulf of Mexico to, and including, the Grand Isle terminal facility on the Land, including any of the foregoing described on the attached Exhibit A. The term **"Improvements"** includes all of the improvements and fixtures which are a part of the Liquids Transportation System as described herein, regardless of whether they are included or properly described in Exhibit A.

"Interconnection Agreements" means the agreements pursuant to which the Liquids Transportation System, or any component thereof, is interconnected to other facilities or assets, including facilities or assets included in Exhibit D.

"Land" means the approximately 16 acre parcel of land described on Exhibit B.

"Lien" means any mortgage lien, deed of trust lien, tax lien, deed to secure debt, vendor's lien, security interest, pledge, collateral assignment, mechanics' or materialmen's lien, or other similar instruments and all restatements, modifications, amendments, consolidations, extensions, renewals or substitutions thereto or thereof.

"Liquids Transportation System" (a) means, generally, the system of pipelines, storage tanks, collection and separation facilities, salt water disposal wells and facilities, and related properties, facilities, equipment and rights, identified on Exhibit C, as such system exists as of the Effective Date that is capable of (i) transporting, collecting, separating, storing, and delivering for sale or transport oil produced from oil wells located in the Gulf of Mexico, and (ii) transporting, collecting, separating, and disposing of salt water associated with the production of such oil, and (b) includes, specifically, the Land, the Right of Use Agreements, and the Improvements. The Liquids Transportation System begins at the inlet flange to each pipeline pig launcher trap on oil platforms GI 22L, ST 54G, WD 73A, WD 30J, MC 268A, MC 397A, and SP 93A in the Gulf of Mexico, but expressly excluding the MC 268 "A" Platform, extends through an interconnected system of pipelines and subsea tie-in valves to the collection, separation equipment, storage tanks, disposal wells, and pipelines located at the Grand Isle terminal facility on the Land, and includes the pipeline from such terminal facility to the interconnection point under the Interconnection Agreement, dated December 17, 2010, with ExxonMobil Pipeline Company (as such agreement may be amended or replaced from time to time).

"Material Agreements" means all of the contracts, agreements, and commitments with respect to the ownership or operation of the Liquids Transportation System which are included in Exhibit D.

"MC 268 "A" Platform" means that certain platform located on Block 268, Mississippi Canyon Area, as shown on OCS Official Protraction Diagram NH 16-10 at Latitude 28.652145, Longitude 89.786457, along with all buildings, vessels, tanks, motors, pumps, compressors and equipment, located thereon, if any.

"Permitted Encumbrance" means (i) Liens for (A) Taxes not yet due and payable or (B) any Taxes that are being contested in good faith by appropriate proceedings, (ii) mechanics', carriers', workmen's, repairmen's or other like Liens arising or incurred in the ordinary course of business with respect to amounts that are not delinquent or which are being contested in good faith by appropriate proceedings by or on behalf of Assignor, (iii) the terms of any Right of Use Agreement (excluding any Lien or right to terminate caused by the breach of such Right of Use Agreement), (iv) recorded agreements, easements, servitudes, rights-of-way and other documents of record affecting the Land that, in the reasonable judgment of Assignee, do not prohibit or interfere with the current operation of the Liquids Transportation System or the use of the Land for its current use or for other activities related to the extraction, shipment, processing, refinement or disposal of produced water, oil, gas or other hydrocarbons, (v) zoning ordinances, (vi) any use restrictions set forth in that certain Act of Cash Sale with Reservation of Servitude, dated effective as of December 1, 2010, by and between ExxonMobil Pipeline Company and Energy XXI GOM, LLC, (vii) Liens granted to the lenders to Assignor or its Affiliates so long as

such liens are released from the Assets in connection with the transactions contemplated by this Assignment and, (viii) all of the terms and conditions of this Assignment, and (ix) required consents to assignment under any Material Agreement. Notwithstanding anything herein to the contrary, Disapproved Liens shall not be deemed to be Permitted Encumbrances.

Office of Conservation

FEB 03 2025

"Person" means any individual, firm, corporation, partnership, limited liability company, incorporated or unincorporated association, joint venture, Governmental Authority or any other entity of any kind.

Environmental Division

"Personal Property" means (a) the monitoring equipment located in or on the Liquids Transportation System, (b) the computer hardware and software used in respect of the Liquids Transportation System, (c) the wires and other connectors between such computer hardware and such monitoring equipment, (d) all office furnishings, computers and associated hardware located at the Grand Isle terminal facility, (e) spare parts and stores for the Liquids Transportation System, and (f) the Records, all as of the Effective Date.

"Records" means the following, to the extent in Assignor's Possession: all engineering drawings or plans of or covering the Liquids Transportation System or any component thereof, site assessments and environmental reports regarding or covering the Liquids Transportation System or any component thereof, manuals relating to the operation of the Assets, and "as-built" surveys of the pipelines and drawings of the Liquids Transportation System.

"Right of Use Agreements" means the easements, servitudes, rights of way, and similar agreements and instruments listed in Exhibit E, including all of Assignor's rights thereunder, which shall be assigned to Assignee.

"Subsidiary" means with respect to any Person (the "parent") at any date, any corporation, limited liability company, partnership, association or other entity the accounts of which would be consolidated with those of the parent in the parent's consolidated financial statements if such financial statements were prepared in accordance with generally accepted accounting principles in effect in the United States of America as of such date, as well as any other corporation, limited liability company, partnership, association or other entity (i) of which securities or other ownership interests representing more than fifty percent (50%) of the equity or more than fifty percent (50%) of the ordinary voting power or, in the case of a partnership, more than fifty percent (50%) of the general partnership interests are, as of such date, owned, controlled or held by the parent or one or more subsidiaries of the parent, or (ii) that is, as of such date, otherwise Controlled, by the parent or one or more subsidiaries of the parent.

"Tax" or "Taxes" means (i) all federal, state, local or foreign income, gross receipts, license, payroll, employment, excise, severance, stamp, occupation, premium, windfall profits, environmental (including taxes under Section 59A of the Internal Revenue Code of 1986, as amended), customs, duties, capital stock, franchise, profits, withholding, social security (or similar), unemployment, disability, real property, personal property, sales, use, transfer, escheat, registration, value added, alternative or add-on minimum, estimated or any other taxes, unclaimed property liabilities, any payments in lieu of taxes or other similar payments, charges, fees, levies, imposts, customs or duties of any kind whatsoever, that are imposed by a Taxing Authority, including any interest, penalty, or addition thereto, whether disputed or not and

including any obligations to indemnify or otherwise assume or succeed to the tax liability of any other Person, or (ii) any liability for the payment of any taxes, interest, penalty, addition to tax or like additional amount resulting from the application of Treasury Regulation Section 1.1502-6 or comparable federal, state or local laws.

Office of Conservation

FEB 03 2025

"Taxing Authority" means a governmental entity having jurisdiction over the assessment, determination, collection, or other imposition of any Tax.

Section 1.2 Certain Interpretive Provisions. As used in this Assignment: (a) the word "or" is not exclusive and the words "include", "includes" and "including" are not limiting, (b) references to a law include any rule or regulation issued under the law and any amendment to the law, rule or regulation, (c) whenever the words "include," "includes," or "including" appear, they shall be deemed to be followed by the words "without limitation," (d) personal pronouns shall be deemed to include the other genders and the singular shall include the plural and vice versa, (e) the words "herein," "hereof" and "hereunder" and other words of similar import refer to this Assignment as a whole and not to any particular Article, Section or other subdivision, and (f) any reference to "\$" or "dollars" shall refer to U.S. dollars. Wherever a period of time is stated in this Assignment as commencing or ending on specified dates, such period of time shall be deemed (i) inclusive of such stated commencement and ending dates, and (ii) to commence at 12:00 A.M. Central Time on such stated commencement date and to end at 11:59 P.M. Central Time on such stated ending date. Unless the context otherwise requires, (A) any definition or reference to any agreement, instrument or other document shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein), (B) subject to restrictions on assignment set forth herein, any reference herein to any Person shall be construed to include such Person's successor and assigns, and (C) any reference to any law shall include all statutory and regulatory provisions consolidating, amending, replacing or interpreting such law and reference to any law or regulation shall, unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time. Section headings herein are included for convenience of reference only and shall not affect the interpretation of this Assignment or any other document executed in connection herewith.

ARTICLE II ASSIGNMENT

Assignor, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby GRANTS, DEEDS, BARGAINS, SELLS, CONVEYS, ASSIGNS, TRANSFERS, SETS OVER and DELIVERS unto Assignee, subject to the remaining terms and provisions of this Assignment, all of Assignor's right, title and interest in and to the Assets.

TO HAVE AND TO HOLD all of the Assets, together with all rights, titles, interests, estates, remedies, powers and privileges thereunto appertaining unto Assignee and its successors, legal representatives and assigns forever, subject to the Permitted Encumbrances, terms, conditions and reservations of this Assignment.

Office of Conservation

FEB 03 2025

Environmental Division

ARTICLE III **DISCLAIMERS**

ASSIGNOR MAKES NO REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, WITH RESPECT TO ASSIGNOR, THE ASSETS, THE TRANSACTION OR ANY OTHER MATTERS. ASSIGNOR EXPRESSLY DISCLAIMS ANY AND ALL SUCH REPRESENTATIONS AND WARRANTIES.

THE INTEREST IN THE ASSETS CONVEYED TO ASSIGNEE ARE CONVEYED WITHOUT (i) ANY REPRESENTATION OR WARRANTY BY ASSIGNOR, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, RELATING TO TITLE TO THE ASSETS OR THE CONDITION, QUANTITY, QUALITY, EXISTENCE OF DEFECTS, FITNESS FOR A PARTICULAR PURPOSE, OR MERCHANTABILITY OF ANY EQUIPMENT OR PROPERTY OR (ii) ANY OTHER EXPRESS, IMPLIED, STATUTORY OR OTHER WARRANTY OR REPRESENTATION WHATSOEVER BY ASSIGNOR.

ASSIGNEE HAS RELIED SOLELY UPON ITS OWN INSPECTION OF THE ASSETS, AND ASSIGNEE ACCEPTS ALL OF THE SAME IN THEIR "AS IS", "WHERE IS" CONDITION, "WITH ALL FAULTS". NOTWITHSTANDING THE FOREGOING, NOTHING IN THIS ASSIGNMENT IN ANY WAY LIMITS OR ELIMINATES THE REPRESENTATIONS AND WARRANTIES MADE BY ANY AFFILIATE OF ASSIGNOR IN ANY OTHER AGREEMENT.

ARTICLE IV **MISCELLANEOUS**

Section 4.1 Governmental Approvals. For governmental filing and approval purposes, Assignor and Assignee may execute separate assignment instruments with respect to certain of the Assets utilizing forms required by a governmental entity. The interests in any of the Assets conveyed as a result of such separate assignments are the same, and not in addition to the interests in such Assets conveyed pursuant to this Assignment. Where separate assignments of the Assets have been or will be executed for filing with, and approval by, applicable governmental authorities, any such separate assignments (a) shall evidence this Assignment and assignment of the applicable Assets herein made and shall not constitute any additional assignment of such Assets, (b) are not intended to modify, and shall not modify, any of the terms, covenants and conditions or limitations on warranties set forth in this Assignment and are not intended to create, and shall not create, any representations, warranties or additional covenants of or by Assignor to Assignee and (c) shall be deemed to contain all of the terms and provisions of this

Assignment as fully and to all intents and purposes as though the same were set forth at length in such separate assignments.

Office of Conservation

Section 4.2 **Further Assurances.** Assignor and Assignee agree to execute such additional transfers and other documents as may be necessary in order to accurately transfer, of record, all Assets owned by Assignor intended to be conveyed to Assignee pursuant to the terms and provisions of this Assignment.

FEB 03 2025

Environmental Division

Section 4.3 **Binding Effect.** This Assignment shall be binding upon, and shall inure to the benefit of the Parties hereto and their respective successors and assigns.

Section 4.4 **GOVERNING LAW; JURISDICTION, VENUE; JURY WAIVER.** THIS ASSIGNMENT AND ANY DISPUTE RESOLUTION CONDUCTED PURSUANT HERETO AND THERETO SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK EXCEPT AS MAY OTHERWISE BE REQUIRED FOR REAL (IMMOVABLE) PROPERTY ISSUES UNDER THE CONFLICT OF LAWS PRINCIPLES OF LOUISIANA OR AS MAY OTHERWISE BE REQUIRED UNDER THE OUTER CONTINENTAL SHELF LANDS ACT. THE PARTIES IRREVOCABLY AGREE THAT ANY LEGAL ACTION, SUIT OR PROCEEDING ARISING OUT OF OR RELATING TO THIS ASSIGNMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES OF AMERICA LOCATED IN THE STATE OF NEW YORK. BY THE EXECUTION AND DELIVERY OF THIS ASSIGNMENT, THE PARTIES IRREVOCABLY SUBMIT TO THE EXCLUSIVE JURISDICTION OF ANY SUCH COURT IN ANY SUCH ACTION, SUIT OR PROCEEDING. EACH PARTY HERETO WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY ACTION, SUIT OR PROCEEDING ARISING OUT OF OR RELATING TO THIS ASSIGNMENT.

Section 4.5 **Subrogation.** This Assignment is made with full substitution and subrogation of Assignee in and to all covenants and warranties by others to Assignor and its affiliates.

Section 4.6 **Exhibits.** All Exhibits attached hereto are hereby made a part hereof and incorporated herein by this reference.

Section 4.7 **Counterparts.** This Assignment may be executed by Assignee and Assignor in any number of counterparts, each of which will be deemed an original instrument, but all of which together shall constitute one and the same instrument. The Parties agree to exchange originally executed counterparts of this Assignment within three (3) Business Days of the request of a Party hereto.
